Children were given smiley face stickers, happy and sad communication visuals and pencils and paper to make comments.

Comments on Vision statement

1. I agree with all of it
2. Keep the same
3. Don't understand the words – thrive, equity, individual
4. Too long
5. Sentence is too long
6. Hard to understand
7. Good for young people to be included
8. I like valued, support, well being and potential
9. Change to make it shorter
10. Instead of thrive 'reach their goals'
11. Too much for me to take in
12. Make the words shorter and broken down
13. I like the words support, choices, respected
14. Respect should come first because that's what people need

Summary of Vision Feedback

The young people found the statement too long and did not understand some of the words such as equity, thrive, embraced and empowered. They think there should be a shortened version with words that are accessible and understood by all.

Comments on vision

1. It is an amazing statement for the young people but less difficult words
2. Having the opportunity to thrive encourages you to do a lot more with yourself
3. Inclusion is the best thing to be as it makes you more yourself
4. Being valued makes you feel better and shows being different is important
5. Respected to be more of themselves overall and being respected just wants you to be yourself all of the time
6. Could be shorter in length
7. To be heard aloud makes you feel like you can do anything with a voice and it's good to have a voice to be heard

8. Lots of words, too many gives me a headache
9. Add in goals and dreams
10. What is this word – equity? Not everyone knows what it means
11. I love this one ‘every individual is heard, respected and given the chance to reach their potential’
12. I don’t understand empowered, equity
13. I like the words valued, support, opportunities, respected, potential
14. I feel incredibly neutral, the only suggestion I have is to slightly shorten it
