

Pendock Primary School- feedback collected

Thank you so much for chatting with me yesterday! It was really interesting listening to

your opinions on your school and what you expect from high school. I liked visiting and

when I left it seemed that your school was working really hard to include you in deciding

things. I loved that! Hopefully, I can come back again sometime!

Below are the answers I wrote down when we were chatting. If any of them are wrong let

me know and I will change them.

Thanks

Amy

What do you like about school?

- Some things are fun, for example Forest school.
- Break and food
- Bean bag in the zen den
- Play loads of games- PE
- School- fun, teachers help with work. Teachers listen. Other schools don't listen
- Seeing mates.
- Doing learning and fun in general.
- Brain breaks- class dancing, and in the hall.

What is not so good about school?

- 6 hours long, which is too long
- Maths- boring

- Nothing!
- Boring- lessons. Sometimes know it already.
- Reading.

If it was up to you, what would like to see added to the school?

- White room getting painted (I realise this is the galaxy/ fireworks mural that is going in the Zen Den)
- Bikes for bigger people
- More movement in lessons
- A pool
- Tidier millennium garden
- Quad bike and mountain bikes with all the gear, and a bike track
- Add more school events
- Mushrooms growing in the garden
- Skate park
- Escape room
- Halloween entrance (to be jump scared)
- Mini waterfall
- Fix the roofs
- Chocolate fountain with strawberries and marshmallows
- Gaming- Minecraft, Roblox and Fortnite.

What do you know about High School?

- Very big
- Get a phone
- Big gangs there
- A lot of people, teachers, lots of new clubs

Are you excited to go to High School?

- Generally, this was 'yes', but I didn't write anything down here (Sorry!)

How does Project Cool Kids help you?

- Helped me a lot, as I feel supported.
- Learning is more fun and more active.

- Move around more
- More brain breaks and more movement.

What is the Zen Den?

- The Zen Den is the new 'sensory support' space that is being created.
- Ms Moon showed me the beanbags, basketball hoop and punch bag that are currently in school

- She also mentioned the new spinning chairs that are being purchased.

It sounds like it will be amazing!
